EDUCATION

DY Patil College of Engineering, Kolhapur

B.E. in Computer Science Engineering

Aug 2019 – July 2023

Graduated

Masai School

Full Stack Web Development Program

Oct 2023 – Nov 2024

Completed

SKILLS

Languages: HTML, CSS, JavaScript, Java, SQL

Libraries/Frameworks: React.js, Node.js, Express.js, Bootstrap

Tools: Figma, VS Code, Firebase, MongoDB

PROJECTS

FitBuddy — HTML, CSS, JavaScript

- Collaborative clone of Cult.Fit featuring fitness training plans, product listings, and responsive UI.
- Worked on the homepage, product page, and integrated cart functionalities.
- Enhanced UI interactivity with pure JavaScript; implemented team-based Agile practices.

lenskart Clone – LensLoom — HTML, CSS, JavaScript

- Created an e-commerce site replica with full shopping functionality, product display, cart, and checkout.
- Contributed to layout, product filtering, and mobile responsiveness.
- Collaborated in a group using GitHub for version control and daily stand-ups.

EXPERIENCE

Questera

Software Engineer

Jun 2025 – Present

San Francisco, California

- Developed responsive frontend UI components and implemented Dark Mode for enhanced user accessibility.
- Built Pricing Page and Knowledge Base UI to improve overall product usability and customer experience.
- Published 2–3 technical blogs daily to support product growth, SEO, and user engagement.
- Contributed to Smart Suggestions, Stripe payment integration, and Project Folders features.
- Worked on AI-powered web platforms in a fast-paced, technology-driven startup environment.

INVOLVEMENT

Masai School — *Full Stack Development Trainee*

2023 – 2024

Completed 1000+ hours of hands-on coding and 100+ real-world assignments.

Built multiple full-stack applications with team collaboration and Agile practices.

Freelance Projects

2024 – Present

Designed and deployed small-scale web applications using React, Firebase, and modern UI tools.

Winner – Masai Build Week

Dec 2023

Won Build Week challenge by delivering a fully functional social application within strict deadlines.

CERTIFICATIONS

Full Stack Web Development Certification – Masai School (2024)
